SUBJECT: START Inspection Procedures for RV Counting (U)

The draft START Treaty and Inspection Protocol provisions concerning on-site inspection for counting reentry vehicles, submitted by the START Interagency Group (IG) on February 23, 1988, have been reviewed and approved. Pending development of the remaining elements of our inspection regime, the provisions should be tabled leaving blank the number of missiles which can be inspected during a given inspection. (S)

The Arms Control and Disarmament Agency is requested to transmit the approved treaty and protocol language to the U.S. Delegation to the Nuclear and Space Talks for tabling. (C)
